Bankers Notice to Commercial Depositors

(This Notice Does Not Apply to Savings Accounts)

The custom prevailing among conservative banking institutions is to make a nominal charge for the handling of small checking accounts, in order to cover part of the cost incident to the care of same. It is now the practise in various cities on the mainland. The undersigned banks of Honolulu have agreed to adopt the plan.

Therefore, whenever the average balance is below \$100.00. we trust that it will be found convenient to arrange to increase it to at least this amount, otherwise a monthly charge of fifty cents will be made and a charge ticket rendered for the same and enclosed with cancelled checks.

Effective on and after January 2, 1918.
